

SINGLE FAMILY RESIDENTIAL 2007 STREET OF DREAMS

Working closely with Accent Residential Homes, AKS Landscape Architect, James H. Hensley, II, ASLA, designed the landscape for one of the 2007 Street of Dreams Homes located in Oregon City, Oregon. This 5,900 square foot home, located on a 2.5-acre lot with views of Mount Hood, features a Par-3 full length golf hole for the backyard.

The landscape plan includes a reflection pond, creek and waterfall, entertainment terrace, intimate dining patio, lush plantings, terraced walls and planters leading to three tees, manicured green, fairway, lawns, pond, and bunkers.

The golf hole is designed to be a foreground feature with masses of vegetation framing the spectacular view of Mount Hood.
