

## NEIGHBORHOOD PARKS

Since establishment of AKS Engineering & Forestry, LLC 11 years ago, the office has completed several neighborhood parks including Shadow Ridge, Rolling Acres, Bailey Estates and Pacific Crossing. AKS Landscape Architect, James H. Hensley, II, ASLA, has worked closely with the developer and government agencies to specify and layout play areas that meet the needs of the neighborhood and create safe and friendly areas for children to play. Specific services have included surveying, preliminary design, grading, layout, planting, irrigation and staking plans.
